

Show and Tell

Film, Sound and New Media Showcase

An opportunity for *North West Arts and Health Network* members using, or interested in film/sound/new-media in research, evaluation, practice and marketing, to share examples of their work in a supportive environment. The emphasis of this session is to generate constructive dialogue around the use of film, sound and new media in arts and health contexts.

If you're interested in sharing your work, please send a 10-minute edit of your material to Clive Parkinson. It is anticipated that a maximum of 10 pieces will be shared. Selection will be based on diversity of material. All material should be supplied on DVD/CD format with this completed form and cannot be returned.

This session will be facilitated by Clive Parkinson, Director of Arts for Health at Manchester Metropolitan University.
